

SatSYNC End User License Agreement (EULA) Terms

This End User License Agreement (EULA) constitutes a legally enforceable agreement between you the user and Satmap Systems Ltd (SSL). It applies all Software products (PRODUCTS) supplied by SSL, either preinstalled on or supplied subsequently in the form of updates, upgrades, or new products, as supplied on various Software delivery media, including but not limited to, the internet, SD Cards ('map cards'), CD-ROMs, DVDs or any other form of data delivery.

1. License Acceptance

Once you download any data, you will be deemed to have accepted the terms of this EULA, and will be bound by them. IF YOU DO NOT WISH TO BE BOUND BY THE TERMS OF THE EULA, YOU MUST NOT USE THE PRODUCT.

2. User License

This EULA grants you permission to install and use only one copy of the PRODUCT on only one piece of PC Computer Hardware at any one time.

3. Software Upgrades and Updates

This EULA does not grant the user any rights to PRODUCT upgrades or updates. However, if any such upgrades or updates are obtained from SSL or from approved and authorised distribution channels, these will be covered in full by the terms of this EULA.

4. Private Use

This EULA grants a user permission to use the PRODUCT supplied by SSL on a non-exclusive basis for private, non-commercial use only.

5. Copyright

This PRODUCT is protected in full by copyrights, trademarks and patents owned by SSL and / or its suppliers. This EULA in no way grants ownership of any element of the Intellectual Property Rights (IPR) of SSL and / or its suppliers, to you the user. You are only permitted to use this IPR in accordance with the terms and conditions of this EULA. All rights not specifically granted in this EULA are reserved by SSL.

6. Restrictions

This PRODUCT is protected in full by copyrights, trademarks and patents owned by SSL and / or its suppliers and you or any other persons or organization (s), are not permitted to modify the PRODUCTS under any circumstances. You will not, or permit any other person or organization to, engage in any activities aimed at disassembling the PRODUCTS, either in whole or in part, in order to analyse for any purposes, including attempts to undertake any reverse engineering, unauthorized modifications, or to make products derived from it. SSL reserves the right to discontinue, update or upgrade the services and products supplied to you or made available to you through the use of the SSL products, with or without notice.

7. Confidentiality

This PRODUCT has been developed after considerable investment and resources by SSL and / or its partners. You are obliged under the terms of this EULA to treat the PRODUCTS as being of a confidential nature, and must not, under any circumstances, disclose information about these materials to any third parties.

8. Third Party Software Licenses

This PRODUCT contains data supplied from third parties. Notwithstanding the terms and conditions of this EULA, this material is protected under the terms and conditions of separate licenses where applicable. In using the PRODUCT, you are hereby bound by the IP rights of these parties. SSL cannot accept any responsibility for any errors in third party software products, including, but not limited to, map data. Any depiction of road, path, or track on mapping in the data is no indication of a right of way, and SSL and its suppliers exclude all liability for such depiction.

9. Warranty

Although SSL works hard to deliver high quality products, SSL does not warrant that this PRODUCT is supplied are without errors in operation. The terms and conditions and limitations of the Warranty are contained on the separate Satmap Limited Product Warranty document.

10. Limitation of Liability

- a) Neither SSL nor its suppliers shall be liable to you or to any third party for any damages, direct, indirect or consequential arising out of the use, misuse, or inability to use the PRODUCT, even if SSL, its suppliers or distributors have been advised of the possibility of such a claim. If you are unsure on the operation of the PRODUCT, you are strongly advised to read the Full User Guide (available at www.satmap.com or by post upon request), or contact your point of purchase for assistance, or go to SSL directly.
- b) Notwithstanding any damages that you might incur for whatever reason, the liability of SSL and its suppliers pertaining to or arising from this EULA from shall be limited to the amount actually paid by you for the products.
- c) SSL shall not be liable for any fraud or fraudulent misrepresentation perpetrated by any of its employees of agents.

11. Termination

Without prejudice to any other rights, SSL may terminate this EULA if you fail to comply with the terms and conditions contained herein, with effect from the date of non-compliance. In such event, you must destroy or return to SSL all examples of the PRODUCT in question immediately and in their entirety.

12. Entire Agreement

This EULA and any other addendum or amendment supplied either within the packaging or on the SSL website, in conjunction with the Satmap Limited Product Warranty, all third party license agreements, and the SSL Standard Terms and Conditions constitute the entire agreement between you and SSL relating to the PRODUCT supplied by SSL. If any section or part thereof of this EULA is held to be void, illegal, invalid or unenforceable, the remaining terms of this EULA shall remain in full force and effect.

13. Governing Law

This EULA is governed by English Law and all disputes shall be settled exclusively in the courts of England. The terms of the UN Convention on Contracts for the International Sales of Goods are agreed by all parties to be excluded from this EULA.
